

Activity 4: Fun Events Planning

Aim

To encourage students to support the work of Barnardos by suggesting various fundraising events.

Resource(s) required

Fundraising pack, available through the website: www.barnardos.ie

Time

70-80 minutes (double class)

Instructions

Divide the class up into four groups and allocate three fundraising ideas to each group. Give students 8-10 minutes to decide which one of their three ideas they like the most. Then ask the groups to outline step by step a fundraising plan as to how they would implement it from start to finish. The winning idea (based upon on how workable it is) is suggested as an event the class/school puts on for Barnardos.

Follow-up activity

Students run a fundraising event and have a speaker from Barnardos visit the school and talk about our work.

While this activity is designed to be facilitated by a teacher, Barnardos have a dedicated schools officer who can visit your school and run this activity together with our other [schools programmes](http://www.barnardos.ie/schools). Contact John Wills on (01) 7080 470 or at john.wills@barnardos.ie.
