

Sharing Developmental Concerns with Parents

Overview

This workshop is suitable for those working in Early Learning and Care (ELC) and School Age Childcare in supporting their role in communicating developmental concerns with parents about their child.

Early years educators are well placed to be a support for parents when there are developmental or behavioural concerns for a child attending an ELC setting. It is crucially important that these concerns are shared with parents and acted upon in a timely manner.

Method & Materials

Duration:
2 hours

Format:
Webinar or Workshop

Group size:
30 participants per training

The workshop will involve presentation, videos and question & answers.

Outcomes

Following the workshop participants will be able to:

- Understand the role of the early years educator in identifying potential developmental or behavioural issues
- Know the building blocks of good communication
- Consider how to use documentation to share concerns
- Plan meetings with parents to discuss a concern
