

Understanding Young Children's Behaviour in Early Learning & Care

Overview

This workshop is suitable for those working in Early Learning and Care and School Age Childcare and interested in learning more about supporting children's social and emotional wellbeing.

The aim of this workshop is to support early years educators in considering the factors that influence children's behaviour and to see behaviour as communication. Understanding children's behaviour is key to supporting young children's social and emotional wellbeing. This is an area of practice that early years educators strive to understand and implement quality practices to support children in their care.

Method & Materials

Duration:

2 hours as a webinar

3 hours in person (to provide for small group activities and more discussion)

Format:

Webinar or Workshop

Group size:

30 participants per training

The workshop will involve a presentation and a question & answer session. Attendees will be provided with the slides and will receive a certificate of attendance upon completion.

Outcomes

Following the workshop participants will be able to:

- Describe why it is important to understand young children's behaviour
- Recognise factors that influence young children's behaviour
- See children's behaviour as communication
