

HOW TO MAKE YOUR OWN LITTLE HERO SHIELD

Here's a fun arts & crafts activity children will enjoy to create their own Big Toddle Little Heroes shield.

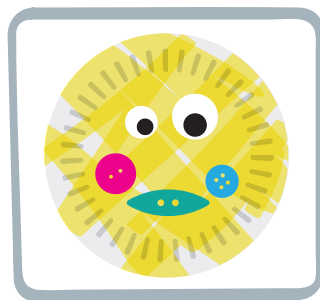

MATERIALS

- 2 paper plates per child (one for your shield and one to create your handle)
- Crayons, markers or paint
- Items to decorate your shield – stickers, glitter, sequins, feathers, bells, googly eyes, pictures of your family – the list is endless!
- Glue or sticky tape

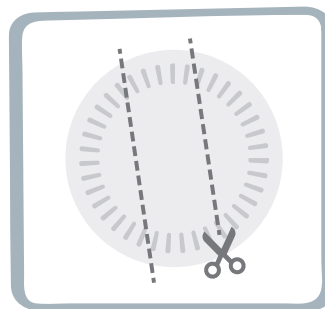

INSTRUCTIONS

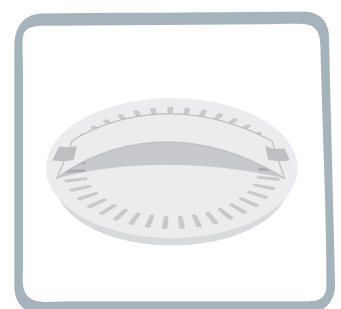

1. Start by painting or colouring in one paper plate to create your shield – you can design it however you wish.

2. Decorate your shield using any of the items above – be creative and have fun!

3. Using a second paper plate, cut a strip to use as the hand grip. This is how your child will hold on to their shield.

4. Flip your decorated shield over the glue or tape each end of your hand grip to the back.

**YOU NOW HAVE YOUR LITTLE HEROES SHIELD
READY FOR YOUR BIG TODDLE!**
