

Payroll Giving in your company in support of Barnardos

Payroll Giving is the easiest way to make a regular donation to a cause that's close to your heart.

Regular donations are a valuable, long-term source of income for Barnardos, to help budget and plan ahead. They ensure continuity of vital services to vulnerable children who rely on us every year. **Because childhood lasts a lifetime.**

Payroll Giving is quick and easy to set up.

- Does your company have a Payroll Giving system allowing them to donate to Barnardos via their monthly payroll?
- Would you be interested in setting one up or suggesting to staff to donate monthly to Barnardos?
- Would you consider matching your staffs' total donation at the end of the year?
- If you don't have a Payroll Giving system your staff can still give monthly to Barnardos directly by signing up here: [Monthly Givers - Barnardos](#)

Staff can choose how much they want to donate. Their donations will transform the lives of over 20,000 children and families Barnardos support every year across Ireland.

“ I support Barnardos because of the love, care and attention you give to vulnerable children and the support you provide to their parents.”

— John

“ I think every child deserves a childhood where they can live a normal life, secure in the knowledge that they are loved and cared for, and not have to worry about being hungry or neglected.”

— Louise

“ I try to help with a small donation every month as I feel that if a large number of people gave a donation every month it would make a huge difference without putting financial pressure on anyone. Kids are our countries future and they deserve the best possible start in life. But more importantly kids deserve real love and care and to be protected from hardship.”

— Andrew

Barnardos may be able to claim up to 44.9% in tax back on donations totalling €250 or more, at no cost to the donor.
