

Fundraising Events for Barnardos

Barnardos worked with over 35,000 children and families across 56 service centres in Ireland last year. A increase in demand of 37% in one year.

We need your help to continue this work by organising or getting involved in a fundraising event. Help Barnardos change a child's story.

Because Childhood Lasts A Lifetime.

Go Green for Barnardos

Go green for Barnardos in March in the run up to St. Patrick's day. Your workplace can organise a static bike, squat challenge, dress up in green for a day or host a clothing swap shop and collection to fundraise for Barnardos. Funds raised will help support young children in Barnardos Early Years Services.

Barnardos Big Hike

Organise a hike for your team to experience the adversity that a few hours in the outdoors can bring, like uphill, downhill and weather. Barnardos support children who's daily lives have adversities and challenges, so your team will be raising funds to directly help these children.
