

Can your business become a Barnardos Champion?

Barnardos, Ireland’s leading children’s charity, works to give vulnerable children a better chance – **Because Childhood Lasts A Lifetime.**

By becoming a **Barnardos Champion** your company will be investing in supporting services in your local area including Family Support, Early Childhood Intervention, or supporting our specialist services such as Bereavement, Wizard of Words literacy services or Young Parent Support services.

In 2024, there was an increase in the number of children, parents and adults reached by services, moving from **26,009** in 2023 to **35,649** in 2024.

"Since I started here, I'm after coming out of my shell an awful lot. Like, yes, I realise that it's not shameful to ask for help. I've always like been one to struggle where I wouldn't ask for help. But, coming up here like has taught me to ask for help. The help is there if it's needed."

"Not one person judges you. Like, we're all the same, they make you feel comfortable. So, from day one I was, I felt comfortable, like I was loved. I'm very like... some of my family I don't talk to. I rather come to talk to Barnardos than talk to some of my family because they've been through so much with me. So, this is like my second home. Yes, it's great."
